

**BOIL ADVISORY DEC.1ST**

Due to the loss of pressure at 800-900 blocks of Locust, Walnut and Mulberry Street; we are issuing a "Boil Advisory". This is an advisory only. If you did not lose pressure, (no water at all) you are not affected by this advisory.

Please listen to local announcements to know when the advisory has been lifted. You can find updates on FB at Mt Vernon Water or call Water Works Office at 838-2136.

Charles Gray, Water Supt.
